Kolondieba fuel convoy air support

Kolondieba corridor, Sikasso Region, Mali · 6 November 2025

Learning objectives

- Distinguish military escort protection from attacks on civilian commerce.
- Explain how local convoy support can coexist with a continuing blockade.
- Assess the limits of period drone evidence and official outcome claims.

Run and debrief

3 minutes 0 seconds at 1×. Put four armed JNIM groups out of action during the convoy support mission. The score covers military threats only; it does not count civilian tankers or prove that the blockade was lifted.

Which result differed from history, and what evidence or model assumption explains it?

Atrocity notice · 2024-12-12 · Human Rights Watch: Mali, atrocities by the army and Wagner Group

These reports describe the wider conflict. They do not establish that every crime occurred in this modeled battle.

Study is not endorsement. Never target civilians, hospitals, schools or places of worship. Report civilian harm. Terrorist forces and Wagner: computer controlled. Gaza events and civilian massacres: excluded.
